## ***Message from Management...***

'Poornam Ecovision Foundation' is working in sustainable development, through community engagement, and livelihood development for last 9 years. In last 9 years, this is being implemented through various innovative experiments.

2020 was the challenging year to Poornam, like everyone due to pandemic situation due to Covid-19, but we could find out ways to turn challenges into opportunities to reach more and more people and serve society better. Due to external movement restrictions, we had to reduce our functional area to PMC, but due to support from courier services, we have reached to entire Maharashtra to deliver Poornam's products.

After identification of need, of supply of mask and giving immediate livelihood to housemakers during pandemic period, we initiated Mask Manufacturing in April to October 2020. We could give livelihood to 120+ women to produce 2.0 Lakh masks and to distribute in various sections through our partner NGOs. During Covid period, we have introduced our innovative customized fabric upcycled products like Safety kits for House-helps as well as for Salon staff. We also spread awareness among people to correct disposal of PPE kits.

Also we could work on customized up-cycling projects, wherein we started production of selected denim products from individual's denim, as well as we introduced a scheme 'Donate a denim to help student to get school bag'. We could convert more than 500 + denims through these projects.

Despite of Covid-19 restrictions, we could get support from over 6000 E-waste and plastic waste donors, so as to collect E-waste above 32 tons, and plastic above 10 Tons, through efforts of Poornam Team and Volunteers.

This year, we have started awards for 'Environment friendly Residential complex' and 'Environment -Entrepreneur'. This will help people to follow environment friendly lifestyle.

We could involve around 300 'Poornahuti' Donors who have donated Rs. 1/- per day for the cause of environmental sustainability, which together could raise more than Rs. 2.0 Lakhs for various environmental projects.

Coming year, we are planning to focus on participation of people in our flagship project of E-waste and plastic waste management through volunteering.

We sincerely thank our Donors, Corporate partners, well-wishers, volunteers and project beneficiaries. With their support this years' reach of 'Poornam' Activities was possible. Their participation made us proud and inspire to work tirelessly.

## Milestones

# Poornam's Activities and SDG Coverage

## E-waste and Plastic Management

## Fabric Waste Management

## Overall SDG Coverage

## Green Consultancy

## Awareness Initiatives

## Vision-Mission-Objectives

### Vision:

To establish Poornam Ecovision Foundation as a one-stop solution provider for sustainable development.

### Mission:

- Designing and promoting waste management practices
- Providing research and development services in the field of sustainable development
- Initiating and accelerating community participation in the field of sanitation, agriculture, renewable energy and livelihood

In last 9 years, many activities have been carried out in various sections of society. These range from awareness to training, as well as from celebrating special days to donating various resources to many needy persons/organizations. Details of activities are as follows:

## Projects Run by Poornam

### E-waste and Plastic Waste Management

- Awareness about type of waste and waste management
- Establish system for waste collection and transport
- Channelize waste to authorized and scientific recyclers.

### Fabric Waste Management

- Donation of fabric to needy people
- Design upcycled products
- Train SHGs for manufacturing upcycled products.

### Green Consultancy

- Zero Waste campus concept for residential colonies
- Rain water harvesting
- Community Waste Management (Urban, Rural)

### Awareness Initiatives

- Green Audits of Institutions,
- Weekly Webinars,
- Awareness sessions/workshops at Corporates

## COVID Relief Work

### 1. Manufacturing of Reusable 100% cotton masks

- Reusable masks of different sizes inclusive of 2 or 3 layers
- Training to women of Self Help Groups (SHGs) through video demonstration
- Livelihood generation for 120 women in Adverse Pandemic Situation
- Distribution of masks through engagement of volunteers as per requirement by citizens
- Provided 7500 masks to Railway workers on the Occasion of Foundation Day of Railway
- Associate partner organizations: Ecoexist, Surajya Sarvangin Vikas Prakalp, Swanand Janakalyan Pratishthan, Apang Kalyankari Sanstha & Sevavardhini.

### 2. Awareness regarding proper disposal of Bio-medical Waste

- Awareness campaigning about safe disposal of used masks & hand gloves
- Awareness created through social media

### 3. Manufacturing of Personal Protective Equipments (PPEs)

- Especially launched for working women
- Manufacturing of PPEs such as masks, caps & aprons which are necessary to wear while working
- Appeal for donating old clothes such as dupattas, shirts, dress materials, bedsheets & kurtis for making PPEs out of those for househelp

### 4. Mask Disposal Machine installation at Police Stations across Pune City

- Appeal for funding for machines to help Police Force
- Associate partner for machines for this campaign
- Proper disposal of masks at source for avoiding hazards to environment & health
- Installation of machines at 4 police stations

## Feedback

१० एप्रिलच्या संध्याकाळी निरोप मिळाल्यावर राजेशर्जींशी संपर्क साधला आणि पूर्णम इकोव्हिजनशी काही कालावधीसाठी का होईना प्रत्यक्षपणे जोडलो गेलो. त्याच दिवशी त्यांच्या कार्यलयात जाऊन प्रत्यक्ष कामाची माहिती घेतली. पहिल्या भेटीतच राजेशर्जींच्या साथी राहणी उच्च विचारसरणी चा प्रत्यय आला. त्यामुळे आपुलकी आणि आदर आणखी वाढला. आम्ही एकत्र बसून कापड वितरण आणि तयार मास्क जमा करण्यासंदर्भात पुढील विस्तृत नियोजन केले. त्यानुसार मग मी नगरातील स्वयंसेवकांशी संपर्क साधण्यास सुरुवात केली आणि पुढील नियोजन व कार्यवाही केली. १२ एप्रिलपासून आम्ही ५ जणांनी मास्कसाठी तयार केलेल्या कापडाची मोजून-मापून तयार केलेली कात्रणे वितरण करायला सुरुवात केली. दरम्यान काही अडचणी आल्या पण राजेशर्जींसमवेत पूर्णमच्या अन्य कर्मचाऱ्यांचेही वेळोवेळी सहकार्य लाभले. त्यामुळे सगळे नीट निभावून नेले.

पूर्वनियोजित शिवणकाम करून देणाऱ्या महिलांशी संपर्क साधणे, त्यांच्यापर्यंत कापडाची कात्रणे पोचविणे, परस्परांच्या सूचनांचे आदान-प्रदान करणे, शंका निरसन करणे, तयार झालेले मास्क ताब्यात घेणे, पुन्हा कार्यालयात येऊन रोजच्या रोज सगळे विवरण देणे असे कामाचे स्वरूप होते. ह्याव्यतिरिक्त दैनंदिन काही अन्य स्वयंसेवक तसेच परिसरातील प्रभाग शाखेतील २-३ स्वयंसेवक पूर्णमच्या कर्वे नगरमधील कार्यालयात बसून पडेल ते काम करून विशेष योगदान देत होते.

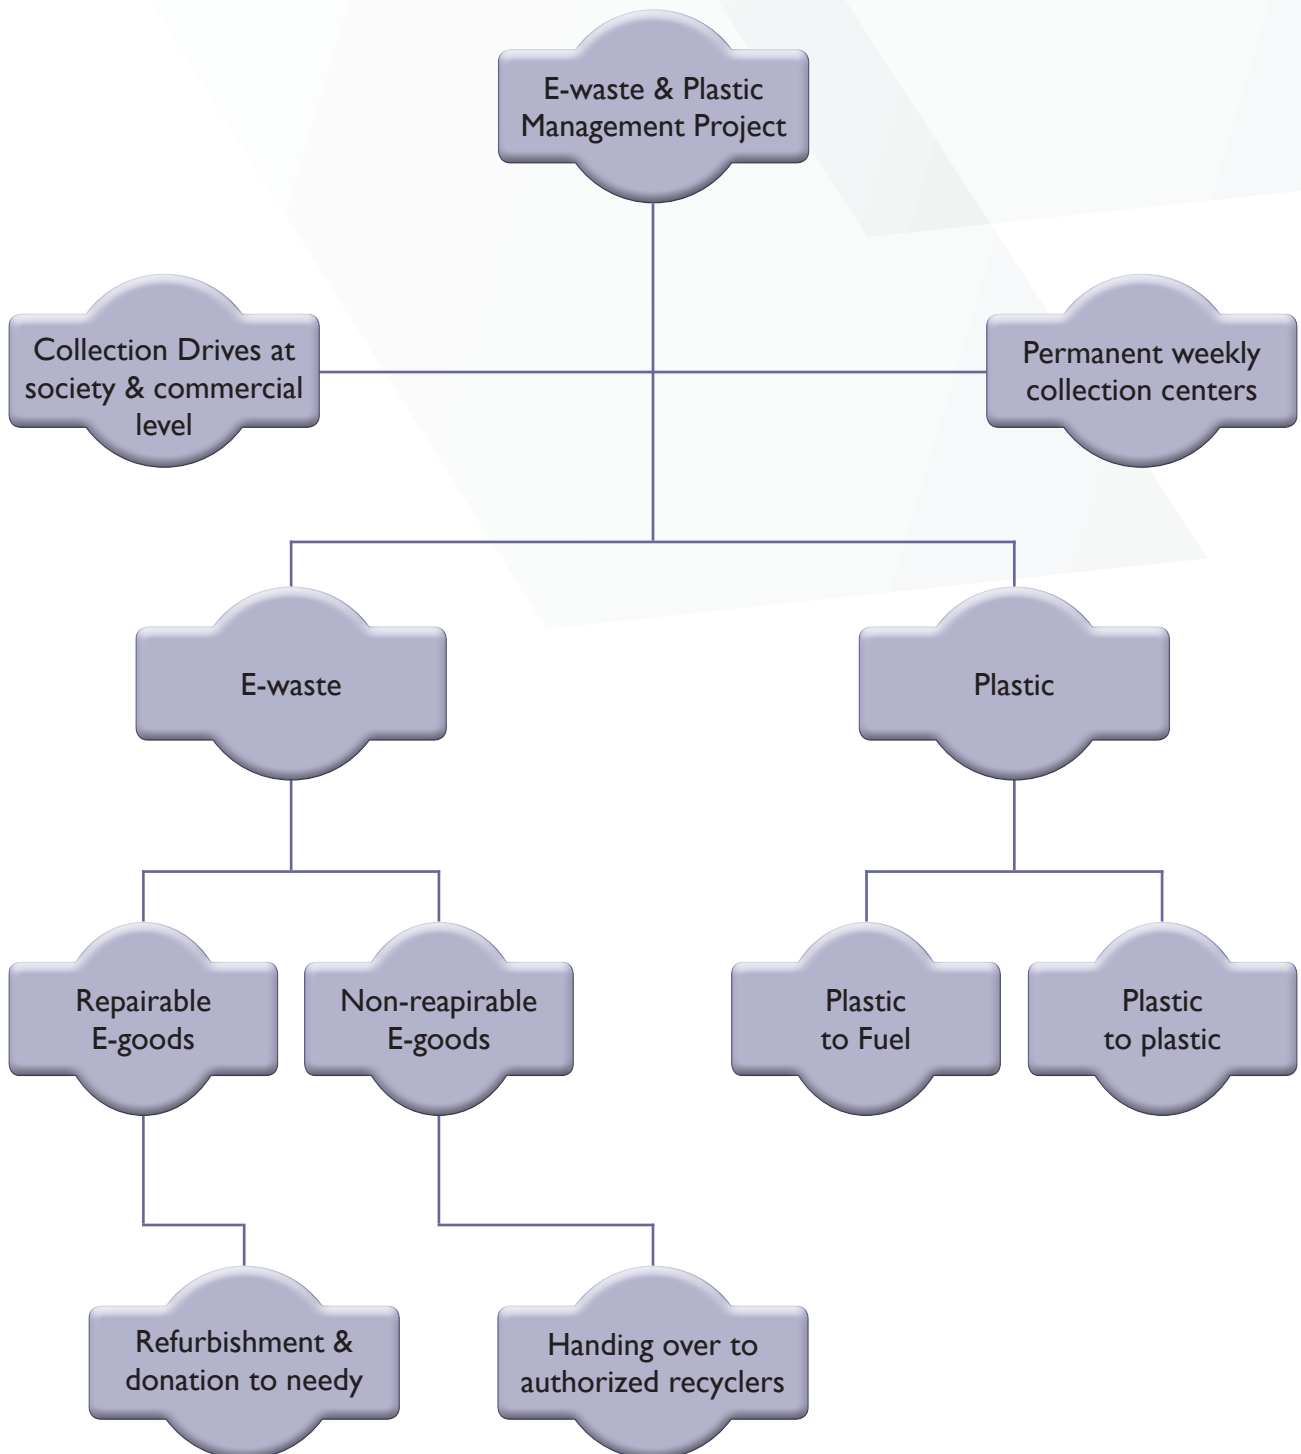

पूर्णमच्या सर्वच सहकाऱ्यांसमवेत काम करताना एकदाही परकेपणा, भिडस्तपणा जाणवला नाही. अतिशय मोकळे वातावरण, आम्हा कार्यकर्त्यांवरील विश्वास आणि व्यावहारिक पारदर्शकता यामुळे कामाचा ताण कधीही वाटला नाही. प्रत्यक्ष कामातून आलेल्या अनुभवांमधून आमच्याकडून देण्यात आलेल्या सल्ल्यांना कधीही डावलण्यात आले नाही तर त्यावर विस्तृत चर्चा होऊन नेहमीच व्यावहारिक उपाय काढण्यात येत होते. कोरोनामुळे उद्भवलेल्या टाळेबंदीमुळे अनेकांचे अनेक प्रकारे हाल होत होते हे सर्वश्रुत आहेच. पुण्यात सुद्धा रुग्णांची संख्या झपाट्याने वाढत होती. अशा परिस्थितीत सुद्धा सामाजिक भान बाळगून राजेशर्जींसह त्यांच्या कर्मचाऱ्यांनी नितांत गरज असताना वैयक्तिक प्राथमिकता बाजूला ठेवून दैनंदिन किमान १० तास एकही सुटटी न घेता न थकता कामाचा झपाटा सुरुच ठेवला होता. अशाप्रकारे चांगला हेतू, योग्य नियोजन, प्रसन्न वातावरण, पारदर्शक व्यवहार, वृद्धिंगत क्षमता, स्वयं-प्रेरणा आणि उत्तम व्यवस्थापन असेल तर फलित नक्कीच गोड असणार ह्यात शंकाच नाही. पूर्णमने पूर्वाभूत नसून देखील कठीण प्रसंगी हे आव्हान स्वीकारून कापडी मास्क तयार करून वितरित केले हे निश्चितच कौतुकास्पद आहे. त्यांचे मनापासून धन्यवाद आणि पुढील सेवा योजनांसाठी अनेक शुभेच्छा !

- श्री. उमेश गानू, स्वयंसेवक, पूर्णम इकोव्हिजन फाऊंडेशन

## Feedback

ज्वेलरीचे प्रशिक्षण खूप छान होते. या प्रशिक्षणमध्ये आम्हाला टाकाऊ कापडापासून वेगवेगळ्या प्रकारची ज्वेलरी शिकायला मिळाली. अशी संधी पुन्हा मिळाली तर मी नक्की सहभागी होईन.

- रक्षदा राजशेखर आंटद

पूर्णमचा स्टाफ आणि प्रशिक्षक अमृता मॅडम यांचे खूप आभार! आम्हाला अमृता मॅडमनी खूप छान व सोप्या पद्धतीने शिकवले. त्यामध्ये आम्हाला टाकाऊ कापडापासून दागिने बनवायला शिकवले व ते आम्हाला खूप आवडले. अशी संधी आम्हाला पुन्हा मिळाली तर आम्ही त्या संधीचे सोने करू.

- आरती दैन

कोरोना महामारीच्या या काळात लॉकडाऊननंतर पूर्णम इकोव्हिजन फाऊंडेशनतर्फे आम्हा गरजू महिलांना वारली पेंटिंगचे प्रशिक्षण दिले गेले आणि त्यातून आम्हाला घरी काम मिळवून दिले ज्यामुळे आम्हाला आर्थिक मदत झाली. म्हणून पूर्णमचे खूप खूप आभार मानते. तसेच वारली पेंटिंग शिकवणारे प्रशिक्षक क्षीरसागर सर यांनी छान पद्धतीने आम्हाला प्रथम वारली पेंटिंगबद्दल माहिती दिली आणि नंतर वारली चित्रे व रंग देणे शिकवले. खूप सोप्या पद्धतीने शिकवल्याबद्दल सरांचे आभार!

- सौ. मनस्वी कान्हेकर

## Feedback

Poornam Ecovision Foundation is doing amazing work on nature conservation. Through their Awareness Initiative, they are reaching to masses to live a sustainable and environmentally friendly lifestyle. They invited us to create awareness upon the neglected topic of honey bee conservation and sustainable business ideas around it and through this, we reached to people to save bees. We are happy to get associated with them. Together we can save the bees!

**- Mr. Amit Godse**

Founder & CEO, Bee Basket Enterprises Pvt Ltd

My experience with the webinar I did for Poornam.... first and foremost I compliment the team.... Thorough professionalism was very evident in the organization, planning, punctuality and publicity of the event. My subject specialization being Climate change, I was approached for the talk. But Dr. Manerikar was very sure he wanted me to focus on waste management as an employment or business opportunity. And in order to do justice to his request, I pushed my limits! And in the process of pre-paring my talk I think I grew as a professional and a teacher. Thanks to Poornam, the talk is still available on the web for people to watch and learn from and so I think its a great initiative of public awareness and society building. I wish Poornam Ecovision a very happy new year & a prosperous future in it endeavors!

**- Dr. Rajani Panchang**

UGC-Assistant Professor, Savitribai Phule Pune University

## Feedback

We would like to thank you for all the time and efforts taken to deliver session on Waste Management and effective ways to tackle the problem at source. Your expertise in the field is well acknowledged and efforts/awareness initiatives taken up by Poornam Ecovision in the society is highly appreciated.

We received a different perspective on ways to approach the waste management issue on day-to-day basis, reuse the commonly overlooked objects in creative and effective manner. This will definitely help us in our efforts towards conservation of environment and making our surrounding better for future generations. Please accept our gratitude and best of the wishes for yourself and Poornam Ecovision.

- **Krishna Kumar**, Barclays

Thanks a lot CSR Team for arranging this workshop for Upcycling Old Denim! It was really fun to learn the new ways of using the Old Denims and make something useful out of it. My daughter learned a great deal out of this and really enjoyed it. Thanks to the entire KPIT CSR Team and special thanks to ones who taught how to make this. Looking forward to such workshops in future!!

- **Deepak M. Andani**, KPIT

## Special Events

### Cycle Donation

Poornam Ecovision Foundation in Association with cummins India Foundation has conducted collection drive of bicycles and donated those to the needy school students. We had donated total 28 cycles last year to the needy people from Taluka Bhor. Our associate NGO Jankalyan Samiti also coordinated this event. This organization works to identify school students who need bicycles.

## Aatmanirbhar Divyang Tantrik Kaushalya Prashikshan

Poornam Ecovision Foundation, Samartha Bharat, Saksham Pune Mahanagar and Sevavardhini together conducted skill development workshop for Divyang People. The program was conducted from 15<sup>th</sup> December to 30<sup>th</sup> December. Recognition ceremony was held on 30<sup>th</sup> December at 5pm.

The program was held at Ruiya Mookbadhir Vidyalaya, S. P. College on Tilak Road. Mr. Subhash Chuttar, Businessman and Dr. Praveen Dhabadgaon, Pranta Karyavah were invited as Special Guests. Both the guests guided all the participants with their inspirational talk.

## Photo Gallery

### Women's Skill Training Program under Fabric Up-cycling Project

Poornam Ecovision Foundation in association with Persistent Foundation had organized “Women’s Skill Training Program”, the program that created livelihood for women through skills.

The opening ceremony was organized by both organizations on 1st October at Poornam’s Office. Mr. Vaibhav Nikam, Manager, Persistent Foundation and Mrs. VasudhataiKhare, President of Surabhi Mahila Patasanstha were chief guests. Training was conducted from 1st October to 15<sup>th</sup> December. Different training skills like toy making, jewellery making, Patch Work, Varli Painting etc were included in training.

Recognition ceremony of “Women’s Training Program” was held on 21<sup>st</sup> January. Mrs. Vidyatai Deshpande and Mr. Vaibhav Nikam were the chief guests. 34 women completed the course in all five training programs.

## Foundation Day Celebration

On 21<sup>st</sup> November 2020, Saturday, Poornam Ecovision Foundation celebrated 6<sup>th</sup> Foundation Day. The program was held at K. B. Joshi Hall in Cummins Engineering College Campus. Dr. Prasad Deodhar, Chairman of Gramvikas Pratishthan at Zarap, Kudal and Mr. Pradeep Jagtap, Chairman of Janseva Bank were invited as Guest Speaker and Special Guest respectively.

Awards were given to residential colony and individual person for doing appreciable work in the field of Environment Conservation. For the very first time these awards were given. "Paryavaran Hitavardhini" was given to Venkatesh Sharvil Society and Mr. Priyadarshan Sahasrabuddhe was awarded with "Paryavaran Mitra". He is chairperson of Vayumitra.

"Best Volunteer" and "Best Employee" these two awards were given to Mr. Sudhir Talwalkar and Rutik Savant respectively. Management team of Poornam illustrated about milestones achieved since foundation of organization, new projects in upcoming year and future plans.

## *Felicitation Ceremony of Safai Karmacharis*

During Pandemic situation of COVID-19 all the Safai Karmacharis have done their work without any break. To appreciate their incredible work Poornam Ecovision Foundation had organized an event. In this event all Safai Karmacharies from Ward No. 34 (Hingane-Wadgaon BK) were felicitated.

Mr. Satish Umare, Assistant Police Inspector at Sinhagad Road Police Station was invited as chief guest. On 16<sup>th</sup> December 2020 event took place at Bhairavnath Mandir, Vadgaon Bk. Total 50 safai karmachari were present at the event. During this felicitation, all safai karmacharies were honored with gifts which were sponsored by Arohana Ecosocial PVT LTD, Pune.
